Will Not Be Jeopardized by Any  
Divorce Scandal  
Talks.

Paris, April 28.—Count Boni and Countess Anna will not appear before Judge Ditta today to allow the court to make an attempt to effect a reconciliation between them before the suit for divorce, brought by Countess Anna, comes to trial. The countess does not wish to injure Boni's political prospects for re-election to the Chamber of Deputies and the meeting before the court has been postponed until after the French election.

## FEEDING 250,000.

No Trouble From Disease Probable Says  
Greely.

Washington, April 28.—Gen. Greely telegraphed the following report of conditions in San Francisco yesterday: "Army assumed distribution of relief supplies today. Major David, quartermaster, handling the transportation and distribution of the supplies. Fully 250,000 people are being fed. Only persistent and constant efforts on part of these and other officers can bring about satisfactory conditions over the enormous territory involved, and an unprecedented number of people receiving aid."

"Through Colonel Pratt I am gradually acquiring accurate information and extending needful assistance to outlying cities and towns all endeavoring to initiate centralization in camps and communities outside of San Francisco, absolute necessary to ensure economy and efficiency. Health of community and army is wonderfully good. Out of three thousand soldiers and sailors on duty in city only 20 are sick. All reports of epidemics are absolutely groundless. Dr. Corney, official state health officer, there was not the slightest prospect of trouble from diseases provided proper sanitary methods now in force could be continued."

## FIRST BUILDING PERMIT.

For the Better San Francisco Granted  
Yesterday.

San Francisco, April 27.—Harmony and pledges of good feeling marked the meetings yesterday of the various bodies of citizens' committee and representatives of the army which are administering the city's affairs.

The last sign of confusion and misunderstanding which at times existed disappeared and the first signs of the return to former conditions were the resumption of street car traffic in certain streets and the taking out of the first permit for the erection of a modern steel structure on the ground occupied a few days ago by a less substantial building."

Dr. Edward Devine of the Red Cross read this message from Secretary of War Taft: "Your telegram received. Please say to Mayor Schmitz and Mr. Phelan how gratified the President and I are at the harmony which is prevailing in the management of the immense work which has been done in San Francisco."

## ST. JOHNSBURY'S CONTRIBUTION.

Probable That \$1,000 Will Be Raised  
For 'Frisco.

St. Johnsbury, April 28.—The canvassers of the board of trade have raised nearly \$600 for the San Francisco sufferers and the money goes today through the Vermont branch of the National Red Cross society. To this amount might be added the contributions to be taken in three churches Sunday and the sum contributed through the fraternal organizations, so it is safe to say that this town's contribution will reach \$1,000.

The first injury of a former Vermont resident thus far reported has just been announced and the parties are Horace Nelson of Half Moon Bay, Calif. and his cousin, Alfred H. Stanley of Plymouth, N. H. Both are former residents of Barre. They were returning from Palo Alto and stopped for the night at the Capitol Hotel at Redwood City. This hotel was badly damaged by the earthquake and Mr. Nelson came out of the wreck with no bones broken, but bruises all over his body.

Miss Annie H. Ide, daughter of Gov. Gen. Ide of the Philippines, has written to her home friends that she had just left San Francisco for Santa Barbara and election of the state. Her personal effects are all destroyed and among her goods were some fine oriental fabrics of much value.

## DR. MERROW ARRESTED.

Charged With Contempt of Court in Not  
Paying Alimony.

Burlington, April 28.—Dr. J. W. Merrow was arrested yesterday by Deputy Sheriff F. E. Lord on a charge of contempt of court. He was taken before Judge Miles, who fixed bail at \$200, V. A. Bullard becoming surety. The case will come up for hearing Monday afternoon.

The arrest grew out of Dr. Merrow's alleged failure to pay alimony decreed by the court to Mrs. Merrow. By the decree Dr. Merrow was to pay his wife \$12 per week pending the final disposition of the divorce matters. It is claimed by Mrs. Merrow that she has had difficulty in collecting the money and that Dr. Merrow is now \$12 in arrears. Dr. Merrow claims that he has paid the alimony promptly heretofore, and that he would have paid when the present sum became due but for the fact that he was short of funds then. He claims he is willing to pay as soon as he gets the money.

## Italiani.

Nessuno vuol contestare al prete cattolico Francesco Crociata il diritto di predicare Cristo e la sua dottrina, ma nessuno di voi fa il dovere di inchiostro e di dottrina che non ammettono discussione. Davanti della nostra colonia, ha invitato due volte questo ministro di Cristo a una pubblica discussione, e due volte ha ottenuto deciso rifiuto. Voi dunque, continuate come sempre a disprezzare la chiesa che non vi permette di ragionare, pensare, esaminare, riflettere, discutere, e vi spinge a odiare il rispettivo umano. Un cosmopolita.

100 BOTTLES  
CONDEMNEDBut Druggist Megrath Enters  
An Appeal

## AND CASE GOES HIGHER

Whiskey Ordered Spilled, But Alcohol  
Will Be Taken Back—The Defense  
Which Megrath Will  
Offer.

Montpelier, April 28.—The alcohol seized several days ago in the raid on George E. Megrath's drug store on State street was today ordered returned by Judge Harvey in city court, while the barrel of 100 bottles of whiskey was ordered forfeited and condemned. An appeal was at once taken to this ruling and Megrath's attorney Clarence H. Senter, was recognized as security for the costs which were charged up against the druggist.

The defense which Megrath will bring forward is that the anticipation of securing a druggist license during Montpelier's "dry" year led him to order a barrel from a western firm so as to have a stock on hand when the license was given him as he would have to wait sometime for the stock if he didn't order until he got the license. He declares that it was standing in the store without any attempt at being concealed. When Deputy Wedge asked him during the raid what was in the barrel Megrath says that he told the officer there were 100 bottles of whiskey.

When asked to open it Megrath said: "I won't for it isn't mine." Thereupon the officer opened the barrel himself and found the 100 bottles of whiskey. In the case for keeping with intent to sell Megrath has been bound over to the grand jury, being released on \$600 bail.

## A BRILLIANT AFFAIR.

Was the University of Vermont Junior  
Prom.

Burlington, April 28.—Mid the glitter of lights, the dazzle of banners, flags and beautiful dresses, and the rhythmic swirl of feet in time with sweet music, about 90 couples danced from nine o'clock last night until early morning at the junior promenade held in the university of Vermont gymnasium. The event was the last of importance in a junior week full of pleasant social functions and was the climax of them all. The dance orders were handsome booklets with blue leather covers, upon which was stamped the university seal. The order included 23 dances and refreshments were served from the 16th to the 21st dance, in the armory by Kent, the caterer. There were a few encores and the dancers started for their homes at about one o'clock this morning.

The patronesses for the promenade were Mrs. H. L. Ward, Mrs. E. E. Burgess, Mrs. Lyman Allen, Mrs. Elias Lyman, Mrs. Harry Shaw, Mrs. Holbert Stanley, Mrs. M. H. Buckham, Mrs. Frank Parker, Mrs. W. H. Freedman and Mrs. C. P. Smith.

## COLLEGE STUDENT DEAD.

Theresa Graves of Middlebury Died  
Yesterday.

Middlebury, April 28.—The college community was shocked yesterday morning to learn of the death of Miss Theresa Graves of the class of 1908. Miss Graves had been ill for the past two weeks with pneumonia and her condition was not thought to be dangerous, but suddenly on Thursday evening she suffered a relapse and died early Friday morning. Miss Graves was 19 years old and a member of the Phi Beta Phi sorority. Her home was in Gloverville, N. Y., until the recent death of her mother, Mrs. S. H. Graves. She was the only child of her father, Mr. S. H. Graves, and her only cousin died last Saturday. Arrangements for the funeral have not yet been made.

## WILLIAMSTOWN.

Rev. F. A. Kimball will preach at the Universalist church tomorrow morning, in exchange with Rev. L. C. Nichols. The five o'clock train last evening got off the rails near the Hooker cut and came near going over the embankment. Many of the passengers got teams and returned home in that way. The people are getting quite disgusted with the condition of this road, and it seems time for someone to do something about it.

The 87th anniversary of the founding of Old Fellowship was celebrated last evening at 1. O. O. F. hall with nearly one hundred and thirty present. A very nice program was carried out as follows: Prayer, Rev. D. H. Strong; music by House's orchestra; duet, Richard and Nina Jefford; solo, Laura Gaudin; address paper, by Rev. F. A. Kimball of Wells River. After the exercises refreshments were served in the banquet hall, consisting of cake, coffee, fruits and ice cream.

The anniversary celebration of Old Fellowship held in their hall on Thursday evening was well planned and most successfully carried through. The program was interesting, appropriate to the occasion and entertaining as well. Supper was served to all in the banquet hall after the close of the program.

SPAULDING HIGH LOSE  
FIRST BALL GAMEFell Down Before the Northfield High  
School Yesterday Afternoon by  
the Score of 6  
to 4.

In an interesting game of base ball yesterday afternoon at the Norwich university field in Northfield, the high school team of that town defeated the team from Spaulding high school of this city by the score of six to four. The game was an exciting one to watch, since the score was a tie in every inning except the first and last. In the first inning, Northfield secured two runs, in the second Spaulding matched them and in the sixth, Spaulding got a run in the first half and Northfield followed suit in the last half. In the eighth inning Northfield got three runs. A Spaulding player crossed the plate once in the ninth inning.

Where Spaulding was weak was at the bat, they could field anything that the Northfield boys could get off Fisher, which was not much, as that young gentleman pitched a superb game, striking out 12 men and allowing only one to walk. Spaulding players found no trouble in connecting with La Frana's pitching, but they couldn't keep them on the ground.

Once in the ninth inning, Spaulding had three men on bases and no men out, but to get one of those men home, they couldn't.

Manager Unice of the Intercity team umpired the game in a very satisfactory manner. The line up of Spaulding was as follows: Noel, c. f.; Capt. Carwell, 2 b.; Kenefick, 1 b.; Bruce, s. s.; Darling, 3 b.; Ayers, c. f.; Fisher, p.; Averill, r. f.; Miles, l. f.; Wishart, sub.

## FINE PIECE OF WORK.

Rizzi Brothers Do Carving For Confed-  
erate Memorial.

There was sent from the granite shed of Rizzi Brothers today a beautiful piece of carving which is to surmount a Confederate memorial to be erected in Kansas City, Mo., by the Missouri division of the United Daughters of the Confederacy. This is a part of a monument which is being contracted for by Ryle & McCord of Montpelier, they having placed the delicate carving work with the well known firm of Rizzi Bros. of this city.

The piece of carving represents a wounded lion, lying down. In its side is driven a large shaft. The die with the figure stands five feet and six inches high and measures five feet by two feet and six inches. It is of the best light granite stone. The origin of the design may have been a great monument which is cut into the side of a mountain pass in Switzerland, where fell a large number of soldiers in one of Napoleon's wars. The figure of the wounded lion is hewn out of the solid rock. It is a wonderful piece of work. Mr. Rizzi of the Barre firm has seen this.

## "SUFFERING WAS AWFUL."

Writes San Francisco Sufferer to a Barre  
Friend.

Mrs. Carrie Dike of 11 Brook street received the following letter last evening from Mrs. Fred Daley, formerly of this city, who is now in rather a bad way before the fire, residing in San Francisco. The letter was sent without a stamp as they cannot be secured yet, the post office having been destroyed.

"Dear Carrie: Just a line to let you know that we are safe. Read the next counts in the papers, there is nothing untrue in them, in fact it is worse than anything they can ever print. We have fared better than most, but we have to stand in line to get anything to eat. Our stores are set in the middle of the street and we can not get a light in the house. Imagine cooking in the middle of the street. We have no money. The business places are all burned out. We took to the hills and lay on the ground two nights. The suffering is awful. People are dying at a fearful rate. Seventeen babies were born on the hills last night and nearly all died. When this is all over I will write all the details but it is awful. I have been sick two days but am better today. Tell all of our friends who you see, that we are safe.

"With love,  
"Mrs. Fred Daley."

## A PASTEBOARD LETTER.

Came All the Way From 'Frisco With-  
out a Stamp.

Mrs. Charles Miller of 55 Washington street, received a postal yesterday from her brother, John A. Belado, of San Francisco. Mr. Belado is a taxidermist and his place of business was 683 Jones street, off Seventh. He was burned out and lost everything but a few tools he had in his pockets. The card stated that he, his wife and their child were camping in the fields.

The card was dated April 21, and was written on a piece of paste board evidently cut from a book with a pen-knife. It was without stamp, but Uncle Sam brought it all the way from 'Frisco and it was only one day behind telegrams sent out from that city the same day.

## HIS BROTHER SAFE.

Joseph Oseola Bears From San Fran-  
cisco.

Joe Oseola received today a postal card from his brother, Louis, who was in San Francisco at the time of the earthquake. The postal card is dated from Berkeley, Cal., and says: "Dear Brother: San Francisco is entirely destroyed by earthquake and fire. We are a lot of refugees in this town and the prospect is not bright at all. We lost all but we are safe and well. There was a thousand killed, quite a few hundred wounded and three hundred thousand homeless.

"Best regards from your brother,  
"Louis."

DIDN'T GET AWAY  
FROM OFFICER AGAINPoliceman Carle Nabbed the Slippery  
Alfred Monnette Who Left Him  
Suddenly a Week Ago.

When Officer Carle got his hands on him this time the fellow didn't get away. He was Alfred Monnette, the man who gave the officer the slip on an electric car a week ago and vanished. The officer ran hard but Monnette ran harder and scotching down an alley on Granite street jumped into a barrel which he discovered standing on a nearby plaza. This disappearing act worked successfully and the officer didn't find him. Last night Monnette got dizzy off an electric car from Montpelier and ran straight into the arms of the same officer, but not to Monnette's put up a desperate struggle. But Officer Carle wasn't taking any chances with such a slippery customer and held tight.

All the way from Seminary street to the City Hall Monnette put up a stiff resistance and half way there the two rolled about the street. But Monnette had to go. In city court this morning he admitted that it was his second appearance on the charge of intoxication. He was fined \$25 and costs \$2.50, which he thought a friend might pay. Officer Carle's costs were a brand new pair of trousers which looked much the worse for wear.

One other intoxication case was in court this morning. That of Elmer Farnsworth who was arrested by Sheriff Shlayton on Washington street last night. He pleaded guilty and was fined \$5 with costs of \$9.00. Grand Jurors Davis prosecuted both these cases.

If the next three days do not increase the list appreciably this will have been the lightest April court record for a dozen years.

PASSENGERS WALK  
AND BEAT THE TRAINOne of Those Periodic Derailings by  
Which the Williamstown "Cannon  
Ball" Was Stopped in  
Its Rush.

The 4:30 passenger train to Williamstown last evening met with an accident in going around the bend just above the Hooker cut. For some reason the engine left the rails and ran along on the ties for at least ten rods before the engineer brought it to a stop, and fortunately no damage was done.

More fortunate was it still that the thing stood right side up. The passengers turned and frantically started to walk to South Barre, hoping that the train would catch up with them. Reaching South Barre they fretted and fumed some more, and five of those who were going to Williamstown telephoned to that place for a reliable means of transportation. A delivery team took them to their destination. The other passengers for the same place decided to wait for the train to come along. They waited until eight o'clock.

So far as known none of the passengers who walked to South Barre got a rebate on their tickets.

McCarthy as president and James Mutch becomes secretary in place of Alexander Townsend. The result was as follows:
